

DISPOSABLE COVERALL

Disposable Coverall (DC-40)

Army safety white disposable overalls are composed of flash spun high density polyethylene which creates a unique, nonwoven material provides an ideal balance of protection, durability and comfort of any limited use fabric technology. Army safety white disposable coveralls fabric offer an inherent barrier against particles. Protection is built into the fabric itself; there are no films or laminates to abrade or wear away. Army safety white disposable coveralls fabric's durability advantage over other nonwoven fabric delivers consistently better barrier, even after wear and abrasion
